CyberRiskConnect Product Overview

Unmatched coverage just got better. Our cyber and technology insurance policy – CyberRiskConnect – now comes with expanded coverage and even broader terms to protect against today’s emerging risks.

What makes CyberRiskConnect different?

Our policy form is written in a way that is easy to read and navigate with embedded hyperlinks. It includes broader terms and expanded coverage for emerging risks. More specifically, the policy provides for:

- Business Interruption coverage applies after a waiting period while for Extra Expense only a retention applies
- The reimbursement period for losses arising from a data breach or cyber-security breach is 18 months
- Unlimited reimbursement period for loss of business income
- Expanded definition of “outsourced provider” to include any third party contracted to perform any business service on behalf of an insured company
- Insured has the option to use an XL Catlin-approved vendor or to select their preferred vendor
- Data Breach Response and Crisis Management Costs Limits provided on an aggregate or outside the limit basis
- Complementary services through vendor partners to assist Insureds with cyber security needs
- Third party recall loss of use coverage
- Broad E&O trigger
