Active Assailant Insurance

The threat of a physical attack has become a real risk for many businesses and public service providers in recent years, with both terrorist and active assailant incidents on the rise.

XL Catlin offers specialist insurance and crisis management services to help organizations prepare for these complex, ever-changing threats and recover quickly if an incident happens.

Coverage
• Broad definition of qualifying weapons: Hand-held weapon includes any hand-held instrument or explosive device worn on the body and road vehicles
• Property Damage and Time Element
• Non Physical Damage Time Element
• Civil & Military Authority (Property Damage & Non Physical Damage)
• Ingress/Egress (Property Damage & Non Physical Damage)
• Extra expenses involved in managing and recovering from an incident, including:
  • Public relations costs
  • Relocation expenses
  • Counselling costs and/or psychiatric care
  • Medical expenses
  • Job retraining
  • Additional security measures
  • Any other costs we agree are reasonable

Highlights
• Broader trigger extended to include Bodily Injury
• Broader coverage for non-terrorism related perils

Crisis response services
Our insurance is backed by expert advice from S-RM, a leading specialist risk and business intelligence consultancy. S-RM helps clients understand the security risks their business’ face and find the most effective way to deal with them. Services include tailored risk assessments, security planning and active security management.
