

Right Side Up: Logistics Services Coverage Solutions

With **Logistics Services Coverage Solutions**, your inland marine coverage is **Right Side Up** all the time.

At XL Catlin, we know the logistics business is changing every day. You need a coverage form that works as hard as you do. That's why we designed and built **Logistics Services Coverage Solutions**, which protects your operation from start to finish.

Client Profile

Logistics companies handling virtually any commodity

Capabilities

- Insuring your supply chain, including handling and order processing, packaging, consolidation, inventory control, transportation, warehousing, and data - perhaps your most precious resource
- Rounding out your insurance needs with Ocean Cargo, Property, and Errors & Omissions coverage

The XL Catlin Marine Difference

XL Catlin's Marine team adds insight and creativity to solid analytics and expertise. The result? Intelligent solutions that meet individual needs. Broad, flexible coverage is founded on strong underwriting, valuable risk engineering, and global claims capability. Our strong financial rating stands behind everything we do. And perhaps most important: our reputation for fair claims-payment.

Coverage

- We've got your back - paying those sums that you become legally obligated to pay as damages for direct physical loss to Covered Property caused by or resulting from a Covered Cause of Loss
- Right and Duty to Defend as well as Supplementary Payments are covered
- Following the goods of your customer while at a premises and in transit, including on a contingent basis when subcontracting operations
- Built for the present and the future, we cover the goods you transport while on a wide variety of conveyances, including by drone
- 26 Additional Coverages (see reverse), including:
 - Contract Penalty
 - Cyber Protection
 - Employee Theft
 - FDA Food Modernization Act Coverage
 - Freight Storage and Logistics Service Charges
 - Lien Sale
 - Property That Supports Your Business
 - Right and Duty to Defend
 - Rust or Corrosion
 - Temperature Control System Breakdown
- Providing 12 different types of coverage under Property That Supports Your Business to keep your business running (see back)
- Tailoring your unique insurance needs through a wide variety of endorsements
